Special resolution number 3**Approval for the Company to grant inter-Group financial assistance in terms of Sections 44 and 45 of the Act**

"Resolved that, to the extent required by Sections 44 and/or 45 of the Act, the Board may, subject to compliance with the requirements of the Act, the Company's Memorandum of Incorporation and the requirements of any recognised stock exchange on which the shares in the capital of the Company may from time to time be listed, authorise the Company to provide direct or indirect financial assistance to any of its present or future subsidiaries and/or any other Company or entity that is or becomes related or inter-related to the Company, at any time during a period commencing on the date of passing of this resolution and ending at the next AGM."

Special resolution number 4**Acquisition of the Company's own shares**

- (ii) This authority shall lapse on the earlier of the date of the next AGM of the Company or the date 15 (fifteen) months after the date on which this resolution is passed;
- (iii) The Board has resolved to authorise the acquisition and that the Company and its subsidiaries (the Group) will satisfy the solvency and liquidity test immediately after the acquisition and that since the test was done there have been no material changes to the financial position of the Group;

The Company must instruct an independent third party, which makes its investment decisions in relation to the Company's securities independently of, and uninfluenced by, the Company, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE; and
- (ix) An announcement containing full details of such acquisitions of shares will be published as soon as the Company and/or its subsidiaries have acquired shares constituting, on a cumulative basis 3% (three per cent) of the number of shares in issue at the date of the AGM at which this special resolution is considered and if approved, passed, and for each 3% (three per cent) in aggregate of the initial number acquired thereafter."

Explanatory note

Ordinary resolution number 1

Appointment of auditors

In terms of Section 90(1) of the Act, each year at its AGM, the Company must appoint an auditor who complies with the requirements of Section 90(2) of the Act.

The Board of Directors informed shareholders on 23 July 2018 that after a formal tender process to appoint a new firm of external auditors, PwC had been appointed as the Company's external auditors, with Mr Pieter Hough as the designated audit partner for the financial year ending 31 December 2019.

KPMG Inc's appointment as external auditors will end on conclusion of its responsibilities relating to the 31 December 2018 financial year audit, which is expected to be on or about the end of April 2019 and PwC's appointment as external auditor will be effective immediately after KPMG Inc's appointment so concludes, subject to shareholder approval at the AGM for the year ending 31 December 2018, the Board having resolved to fill the vacancy in the office of auditor that so arises with PwC.

KPMG Inc's audit reports on the consolidated financial statements of Gold Fields and subsidiaries as of and for the years ended 31 December 2018, 2017 and 2016 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. During Gold Fields' financial years ended 31 December 2017 and 2016, and through the subsequent interim period on or prior to 23 July 2018, there were no disagreements between Gold Fields and KPMG Inc on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction, would have caused them to make reference in connection with their opinion to the subject matter of the disagreement, or reportable events. The Board and the Audit Committee are satisfied that KPMG Inc delivered an audit of satisfactory quality for the financial year ended 31 December 2017.

Ordinary resolution number 2

Election of directors

In terms of the Company's Memorandum of Incorporation, 1/3 (one third) of the directors shall retire from office at each AGM. The directors so to retire at each AGM shall firstly be vacancies filled or additional directors appointed since the last AGM and then those who have been longest in office since their last election. In addition, in terms of the Company's Memorandum of Incorporation, at the date of an AGM, a director who will have held office for a period not greater than 3 (three) years since such director's last election or appointment shall retire at such AGM. Retiring directors shall be eligible for re-election.

The Board, through the Nominating and Governance Committee, has evaluated the past performance and contribution of the retiring directors and recommends that they be re-elected.

Ordinary resolution number 3

Election of members of the Audit Committee

The members of the Audit Committee have been nominated by the Board for election as members of the Company's Audit Committee in terms of Section 94(2) of the Act.

The Board has reviewed the proposed composition of the Audit Committee against the requirements of the Act and the Regulations under the Act and has confirmed that if all the individuals referred to above are re-elected, and that Mr YGH Suleman is confirmed as the Chairperson of the Audit Committee, the Committee will comply with the relevant requirements and have the necessary knowledge, skills and experience to enable it to perform its duties in terms of the Act.

Ordinary resolution number 4

Approval for the issue of authorised but unissued ordinary shares

In terms of the Company's Memorandum of Incorporation, read with the JSE Listings Requirements, the shareholders of the Company may authorise the directors to, inter alia, issue any unissued ordinary shares and/or grant options over them, as the directors in their discretion think fit where, inter alia, shareholder approval is required for such issue under the Act or the JSE Listings Requirements.

The existing authority granted by the shareholders at the previous AGM is proposed to be renewed at this AGM. The authority will be subject to the provisions of the Act and the JSE Listings Requirements. The aggregate number of ordinary shares capable of being allotted and issued in terms of this resolution, other than in terms of the Company's share or other employee incentive schemes, shall be limited to 5% (five per cent) of the number of ordinary shares in issue as at the date of the notice (constituting 41,431,635 ordinary shares).

The directors have decided to seek annual renewal of this authority in accordance with best practice. The directors have no specific requirements to make use of this authority, but wish to ensure, by having it in place, that the Company has some flexibility to take advantage of any business opportunities that may arise in the future which it might otherwise not have been able to pursue without such authority.

Special resolution number 1

Approval for the issuing of equity securities for cash

In terms of ordinary resolution number 4, the shareholders authorise the directors to allot and issue a portion of the authorised but unissued shares, as the directors in their discretion think fit.

In terms of the JSE Listings Requirements, when shares are issued, or considered to be issued, for cash (including the extinction of liability, obligation or commitment, restraint, or settlement of expenses), the shareholders have to authorise such issue with a 75% (seventy-five per cent) majority of votes cast in favour the resolution.

The existing general authority to issue shares for cash granted by the shareholders at the previous AGM, held on 22 May 2018, will expire at this AGM, unless renewed. The authority will be subject to the provisions of the Act and the JSE Listings Requirements. The aggregate number of ordinary shares capable of being allotted and issued for cash are limited as set out in the resolution.

The directors consider it advantageous to renew this authority to enable the Company to take advantage of any business opportunity that may arise in future.

Special resolution number 2

Approval for the remuneration of non-executive directors

Special resolution number 2 is proposed to enable the Company to comply with the provisions of Sections 65(11)(h), 66(8) and 66(9) of the Act, which stipulate that remuneration to directors for their service as directors may be paid only in accordance with a special resolution approved by shareholders. The role of NEDs is under increasing focus of late with greater accountability and risk attached to the position.

As Gold Fields is a global company with operations around the world, the Company requires its NEDs to have the necessary competence, experience and skill to assist the Group to set and deliver the objectives of the Group strategy. Therefore, its remuneration practices should take account of international as well as local norms in determining the appropriate remuneration to attract and retain NEDs that will add value due to their own particular sought after expertise. NEDs do not participate in any of the short or long-term incentive plans and there are no arrangements in place for compensation to be awarded in the case of loss of office.

Shareholders approved the fees for the period 1 June 2018 to 31 May 2019 at the AGM held on 22 May 2018 at the same level. Therefore, effective 1 June 2019, no increase is to be applied to fees of the resident NEDs or the fees of non-resident NEDs.

For further information on the Group's remuneration practices, please refer to the Remuneration Report on p29 – 60 of the Annual Financial Report.

Special resolution number 3

Approval for the Company to grant inter-Group financial assistance in terms of Sections 44 and 45 of the Act

As part of the normal conduct of the business of the Group, the Company, where necessary, usually provides guarantees and other support undertakings to third parties which enter into financial agreements with its local and foreign subsidiaries and joint ventures or partnerships in which the Company or members of the Group have an interest. This is particularly so where funding is raised by the foreign subsidiaries of the Company, whether by way of borrowings or the issue of bonds or otherwise, for the purposes of the conduct of their operations. In the circumstances and in order to, inter alia, ensure that the Company and its subsidiaries and other related and inter-related companies and entities continue to have access to financing for purposes of refinancing existing facilities and funding their corporate and working capital requirements, it is necessary to obtain the approval of the shareholders as set out in this special resolution. The Company would like the ability to continue to provide financial assistance, if necessary, also in other circumstances, in accordance with Section 45 of the Act.

Furthermore, it may be necessary for the Company to provide financial assistance to any of its present or future subsidiaries, and/or to any related or inter-related Company or corporation, and/or to a member of a related or inter-related corporation, to subscribe for options or securities of the Company or another Company related or inter-related to it.

Both Sections 44 and 45 of the Act, which govern financial assistance, provide, inter alia, that the particular financial assistance must be provided only pursuant to a special resolution of shareholders, adopted within the previous 2 (two) years, which approved such assistance either for the specific recipient, or generally for a category of potential recipients, and the specific recipient falls within that category and the Board is satisfied that: (i) immediately after providing the financial assistance, the Company would satisfy the solvency and liquidity test (as contemplated in the Act); and (ii) the terms under which the financial assistance is proposed to be given are fair and reasonable to the Company.

It is therefore imperative that the Company obtains the approval of shareholders in terms of special resolution number 4 so that it is able to effectively organise its internal financial administration.

Explanatory note continued

Special resolution number 4

Acquisition of the Company's own shares

Special resolution number 4 is sought to allow the Group by way of a general authority to acquire its own issued shares (reducing the total number of ordinary shares of the Company in issue, in the case of an acquisition by the Company of its own shares). At the present time, the directors have no specific intention with regard to the utilisation of this authority which will only be used if the circumstances are appropriate. Any decision by the directors to use the general authority to acquire shares of the Company will be taken with regard to the prevailing market conditions and other factors. The directors, having considered the effect of a maximum repurchase under the general authority, are of the opinion that:

- (i) the Group will be able to pay its debts in the ordinary course of business for a period of 12 (twelve) months after the date of this notice;
- (ii) the assets of the Group will exceed the liabilities of the Company and its subsidiaries for a period of 12 (twelve) months after the date of this notice, recognised and measured in accordance with the accounting policies used in the latest audited annual Group financial statements;
- (iii) the ordinary share capital and reserves of the Company and its subsidiaries will be adequate for the purposes of the business of the Company and its subsidiaries for the period of 12 (twelve) months after the date of this notice; and
- (iv) the working capital of the Company and its subsidiaries will be adequate for the purposes of the business of the Company and its subsidiaries for the period of 12 (twelve) months after the date of this notice.

The JSE Listings Requirements require, in terms of paragraph 11.26, the following disclosures, which appear in the Integrated Annual Report:

- Major shareholders – refer to p218 of the Annual Financial Report
- Share capital of the Company – refer to p217 of the Annual Financial Report
- Responsibility statement – refer to p1 of the Annual Financial Report

Other than the facts and developments reported on in the Integrated Annual Report, there have been no material changes in the affairs or financial position of the Company and its subsidiaries between the date of signature of the audit report and the date of this notice.

Summary of holders' rights in respect of proxy appointments as set out in Sections 56 and 58 of the Act and notes to the form of proxy

- Section 56 grants voting rights to holders of beneficial interest in certain circumstances, namely if the beneficial interest includes the right to vote on the matter, and the person's name is on the Company's register of disclosures as the holder of a beneficial interest. A person who has a beneficial interest in any securities that are entitled to be voted on by him/her, may demand a proxy appointment from the registered holder of those securities, to the extent of that person's beneficial interest, by delivering such a demand to the registered holder, in writing, or as required by the applicable requirements of a central securities depository.
- A proxy appointment must be in writing, dated and signed by the person appointing the proxy.
- Forms of proxy must be delivered to the Company before a proxy may exercise any voting rights at the AGM either by returning them to Computershare Investor Services (Pty) Limited at Rosebank Towers, 15 Biermann Avenue, Rosebank, Johannesburg, or to Link Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, England, to be received on or before 09h00 on **Friday, 17 May 2019** or if not so received by **Monday, 20 May 2019**, by presenting it to a representative of Computershare Investor Services (Pty) Limited at the premises of the Company immediately before the commencement of the AGM; alternatively by presenting it to the Company Secretary at the premises of the Company at any time before the commencement of the AGM. Forms can be posted or hand delivered.
- Each person entitled to exercise any voting rights at the AGM may appoint a proxy or proxies to attend, speak, vote or abstain from voting in place of that holder.
- A person entitled to vote may insert the name of a proxy or the name of an alternative proxy of the holder's choice in the space provided, with or without deleting the Chairperson of the AGM. Any such deletion must be initialled. The person whose name stands first on the form of proxy and who is present at the AGM shall be entitled to act as proxy to the exclusion of the person whose name follows as an alternative. In the event that no names are indicated, the proxy shall be exercised by the Chairperson of the AGM.
- The proxy shall (unless this sentence is struck out and countersigned) have the authority to vote, as he/she deems fit, on any other resolution which may validly be proposed at the AGM, including in respect of any proposed amendment to the above resolutions. If the foregoing sentence is struck out, the proxy shall be deemed to be instructed to vote against any such proposed additional resolution and/or proposed amendment to an existing resolution as proposed in the notice unless such additional resolutions and/or proposed amendment is supported by the Board of Directors, in which event the proxy may vote as he/she thinks fit. If, however, the shareholder has provided separate written instructions which accompany this form of proxy and which indicate how the proxy should vote or abstain from voting in any of these circumstances, then the proxy shall comply with those instructions.
- An "X" in the appropriate box indicates that all your voting rights are exercisable by that holder. If no instructions are provided in the form of proxy, in accordance with the above, then the proxy shall be entitled to vote or abstain from voting at the AGM, as the proxy deems fit in respect of all your voting rights exercisable thereat, but if the proxy is the Chairperson, failure to provide instructions to the proxy in accordance with the above will be deemed to authorise the proxy to vote only in favour of the resolution.
- You or your proxy are not obliged to exercise all your voting rights exercisable, but the total of the voting rights cast may not exceed the total of the voting rights exercisable by you.
- Your authorisation to the proxy, including the Chairperson of the AGM, to vote on your behalf, shall be deemed to include the authority to vote on procedural matters at the AGM.
- The completion and lodging of this form of proxy will not preclude you from attending the AGM and speaking and voting in person thereat, to the exclusion of any proxy appointed in terms hereof, in which case the appointment of any proxy will be suspended to the extent that you choose to act in person in the exercise of your voting rights at the AGM.
- The Company's Memorandum of Incorporation does not permit delegation by a proxy.
- Documentary evidence establishing the authority of a person attending the AGM on your behalf in a representative capacity or signing this form of proxy in a representative capacity must be attached to this form.

Form of Proxy continued

- The Company will accept an original and valid identity document, driver's licence or passport as satisfactory identification.
- Any insertions, deletions or alterations to this form must be initialled by the signatory (signatories).
- The appointment of a proxy is revocable unless you expressly state otherwise in the form of proxy.
- You may revoke the proxy appointment by: (i) cancelling it in writing, or making a later, inconsistent appointment of a proxy; and (ii) delivering a copy of the revocation instrument to the proxy and to the Company at its premises or at Ground Floor, 70 Marshall Street, Johannesburg for the attention of Computershare Investor Services (Pty) Ltd, Rosebank Towers, 15 Biermann Avenue, Rosebank, Johannesburg, or to Link Asset Services, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, England to be received before the replacement proxy exercises any of your rights at the AGM.
- The revocation of a proxy appointment constitutes a complete and final cancellation of the proxy's authority to act on your behalf at the later of (i) the date stated in the revocation instrument, if any; or (ii) the date on which the revocation instrument is delivered as required in paragraph 15.
- If this form of proxy has been delivered to the Company in accordance with paragraph 3 then, as long as that appointment remains in effect, any notice that is required by the Act or the company's Memorandum of Incorporation to be delivered by the Company to the holder of the voting rights must be delivered by the Company to:
 - (a) the holder; or
 - (b) the proxy, if the holder has:
 - (i) directed the Company to do so, in writing; and
 - (ii) has paid any reasonable fee charged by the Company for doing so.
- In terms of Section 56 of the Act, the registered holder of any shares in which any person has a beneficial interest, must deliver to each such person a notice of any meeting of the Company at which those shares may be voted on, within 2 (two) business days after receiving such a notice from the Company.
